THE

CHOWANOKA

NINETEEN HUNDRED AND SEVENTY-ONE
Our time, our today
Free to make it as we will
Alone, as individuals,
Together, with man.
Reaching out to others seeking help
Asking only friendship in return
Along with a chance to be united.
Could we stand as one—together?
Respecting all ideas and desires
Trusting in emotions?
Who will save the world, while we chase rainbows?
Fight pollution, war and everlasting hate?
Constant chants of love beckon—but how?
The answer cannot be found with one.
But instead, with many
All joining the wrinkled hands of hope, with sincerity.
There will be no life
If we cannot face tomorrow together
United, but as one
With life's fast pace just our own
To run, skip and laugh with the wind,
And to color rainbows?
We cannot erase or return time;
We can only live for a better tomorrow,
Making all yesterdays bright.

Hold your head high, stand tall with your ambitions
Supply your ambitions with dreams,
Dreams of a better world,
Make them come true.
Standing still as time moves on
We cannot turn our back to the sorrow
To poverty, disease and pain.
Thoughts, emotions—freedom-bound
Individually, we stand isolated
Together, we stand fulfilled
Is it so difficult to unite in peace. 
There has to be a compromising point. 
We must meet halfway "and not just out of fear"
The sun will always rise,
And there will always be a tomorrow:
If you believe, you shall receive the strength
To go forth and face the day.

Chowan College

Dr. Bruce E. Whitaker
Dr. Bruce E. Whitaker, President of Chowan College, is constantly guiding and promoting this institution, but frequently takes time out from his busy schedule to participate in student activities such as this "Talk-In."

President Whitaker is Chowan's most avid sports fan and is our No. 1 spectator at every athletic event.

The Chowan College nursing program is unique in that it is a junior college program 33 months in length, providing 12 months of clinical experience at Duke Hospital in Durham, N. C. This program leads to the degree of Associate in Arts in Nursing.

The students begin their thirty-three month program at Chowan College. They take regular college courses and begin their nursing experience at nearby Roanoke Chowan Hospital. After four semesters plus one summer session at Chowan, they then go to Duke Hospital in Durham, N. C. to complete their nursing experience. Here they remain for twelve months under the supervision of Chowan College faculty members stationed at Duke. When they have satisfactorily completed the program's requirements, they are awarded the A.A., degree from Chowan, and are eligible to take the State Board of Nursing examination. This program is completely under the direction of Chowan College, and is administered by the Chairman of the Department of Nursing Mrs. Almira Ockerman, R.N., N.D., and M.A.

Rocky Dunbar

Rocky Dunbar, formerly Chowan's star tailback, is reported back to normal after undergoing brain surgery.
The other co-captain for the Braves was Bobby Comerford. Plays halfback position. He gave our opponents a run for their money. He is looking forward to the upcoming football season. His hometown is Annandale, Virginia.

John Bowles chosen co-captain of the Braves for the 1970 football season. Playing guard position, his hometown is Virginia Beach, Virginia.
The Men That Showed Them The Way

Coach Hawkins, who in 1970, had The Chowanoka dedicated to him. He has been with Chowan College since 1957. He is a resident of Murfreesboro and is on the Athletic Committee. Coach Hawkins along with Coach Garrison and Coach Surface, are looking forward to another fine season of football in 1972.

Coach Surface, a graduate of Guilford College, is the new defense coach. We welcome Coach Surface from his hometown of Blacksburg, Virginia.

Coach Garrison, head coach of the Braves, led his team to an eight win and one loss record. He is looking forward to spring practice and another winning season of football next season.

The Woman’s Recreation Association is a counterpart of the male intramural program. Members of the W.R.A. participate in Basketball, Volleyball, and plan for the Spring Festival. The W. R. A. enables the Chowan co-ed to participate in extracurricular activities and was also very successful in planning for this years Spring Festival.
Men's
Intramurals
The intramural program at Chowan College is very effective. The program is effective in that it provides the student a way of staying physically fit during non-study hours. These intramural sports activities help to promote a feeling of team effort among the players of the particular dorms. This team effort helps to bring out the inner person in each one of the players. The intramural program is part of the competition for the "President's Cup", which is awarded on the achievements of each group of participants in this program.
Chowan College recognizes the educational value of student cooperation and leadership. The administration and faculty delegate to the student groups the supervision and control of certain affairs. One such group is the Student Government Association. The S.G.A. accepts the responsibility for the improvement of the conduct in the dormitories, cafeteria, student union building and in other vital areas of the school which are necessary. The S.G.A. is operated on a democratic basis which will be to the benefit of the student.

Officers of the Student Government Association are left to right: Paul Battaglia, Treasurer; Steve Cooper, Vice-President; Jay Collins, Secretary; O. J. Womble, Male Social Co-Chairman; Ron Karunungan, President. Seated is Professor Ed Wooten, Advisor. Not pictured: Mary Joyce Bowen, Female Social Co-Chairman; Ron Dunn, News Correspondent.

MONOGRAM CLUB

The Monogram Club is composed of young men who have achieved a letter in either football, basketball, baseball, track, tennis, or golf. Membership in the club is purely voluntary.

The club is active on campus with parking cars for athletic events working on projects for the betterment of the campus, and promoting all around good sport.
The Circle "K" Club of Chowan College is a service organization affiliated with Kiwanis International. The organization's purpose is to strengthen the leadership qualities of college men. The members of the club must be of outstanding character and maintain satisfactory academic standing.

This year the club has been active both on campus, in the community, and internationally. Circle "K" has carried out such functions as collecting food for the needy prior to Thanksgiving, successfully raising $15.00 for the Marshall University Memorial Fund, and raised funds for the proposed Science-Engineering Building.

At the Carolinas District Convention in Winston-Salem, the club received a certificate of recognition for their services during the last year, won first place in club achievement in the bronze division, and tied North Carolina State University in the man-per-mile contest.

Chowan Circle "K" has been one of the most active clubs in Chowan's history.

SPANISH OFFICERS AND SPONSORS
The Spanish Club is composed of approximately sixty students who have had at least one year of college Spanish or its equivalent. The club provides an opportunity for these students to use their knowledge of Spanish in real life situations outside the classroom. Each year the club presents an assembly of Spanish songs, music and dances. This year the club brought to the Chowan campus two films, "Mexican Bus Ride" and "Pepe." The Spanish Club feels that language is a personal instrument and a communicative art; therefore, its fundamental principle is that of reinforcement of Spanish learned in the classroom. The Spanish Club is sponsored by Dr. Morris Carson.

“Pure as the Driven Snow”
The Chowan Players is an organization open to any student in drama. Participation in this group offers different and exciting work; creating a role, painting scenery, making costumes, applying makeup, or installing lights.

Chowan College is one of ten colleges in North Carolina that has a chapter of Delta Psi Omega, a national, dramatic, honorary fraternity. Only students who have worked in dramas and who have promoted college theatre are eligible.

In October a select group of players presented an outdoor drama at Kinston entitled "Diamonds and Deeds." From November 30-December 4, the group gave "The Birds' Christmas Carol" to fourteen elementary schools. Over five thousand children saw "live theatre" and enjoyed the touching Christmas play. In March, the Chowan Players presented "Pure As The Driven Snow," an old-fashioned "maller-drammer."

South Hall Dormitory Officers: Howard Moore, President; Arthur Riddle, Vice-President; James Eagle, Secretary; Olen Thomas, Treasurer; Dan Thompson, Social Co-Chairman; Norman Eddleton, Social Co-Chairman.

Many hours were spent on this building for men like Dan Thompson to have the comforts such as wall to wall carpeting and each room with its own heating and airconditioning. There are two elevators occupying South Dormitory for fast transportation from floor to floor.
Soaring above the pines, South Residence Hall stands as a symbol of Chowan's continued progress. With the construction of South, a new portion of the campus has been opened to development in accord with the college's master plan. Today, it stands alone. Tomorrow, it will be but one of many new buildings as Chowan's campus, geared for the seventies and beyond, expands to the south of McDowell Columns. It is also another sign of the careful planning which has marked the development program during the administration of Dr. Bruce E. Whitaker, in his 14th year as president. This impressive dormitory provides housing for 280 men and contains 58,000 square feet. The total expense of the dormitory and related improvements was $1,243,955.23. The beauty of the area is enhanced by the eight-acre lake. The presence of the lake deserves as a promise that the new section of campus will emphasize the aesthetic beauty which is characteristic of the main campus.
Standing, left to right, are Lynn Naudian, Production Editor; Mark Klevence, Associate Editor; Billie Davis, Administration Editor; Mike Conlin, Organization Editor; Cheryl Ragins and Gwen Francis, Sophomore Section Editors. Seated are Larry Howard, Head Photographer, and Nelson Jeffreys, Editor of The Chowanoka.

Nelson Jeffreys and Mark Klevence, editors of the yearbook, schedule production of work to be done.
Nelson advises Gwen and Cheryl on what pictures should be used in the sophomore section.

Making a final decision on what to do in a section are Mark Klevence, Billy Davis and Mike Conlin.
The Smoke Signals is the students means of campus communication. Through the efforts of Julia Hoskins and Ronald Dunn, editors of the newspaper, the Chowan student is well informed as to campus happenings. The newspaper is an open publication of the student body. During the year many students took advantage of this medium of expression. The yearbook staff would like to commend the Smoke Signals for a fine job done during the year.
Eddie Beach, Assistant Photographer for The Chowanoka, spent many hours in preparation of the candid pictures in this book. His long hours of work and dedication were a great help to the preparation of the yearbook. Next year, Eddie will assume the position of Head Photographer and we are looking forward to another good year of production.

Larry Howard, the clowan, better known as Head Photographer of the yearbook, was a great asset. Through his inventive nature the book took on new vistas of photo design. The many hours needed to photograph and print his pictures were not in vain. Larry, our thanks for a job well done.
Rick Farrell finally went to work!

Billy Hall in the process of pasting up a piece of copy to be shot.
Chester Gotay, Craig Bailey, and Rick Merritt compare notes on the production end of the yearbook.

The editors of the yearbook would like to thank Miss Anne Handel for her help. Anne composed the poem which appeared in the introduction section and assisted in the posing of the Homecoming Court. We thank you, Anne.

Special thanks are also in order for Mike Dawson for his work on the sports section of The Chowanoka. Mike spent many hours in the preparation of his section and we appreciate the work he has done.

"A TIME FOR US"

Our time, our today
Thoughts, emotions—freedom-bound,
Could we stand as one—together?
Reaching out to others-seeking help.
With life's fast pace just our own,
Who will save the world, while
we chase rainbows.
The answer cannot be found with one,
Is it so difficult to unite in peace?
There will be no life
Standing still as time moves on
If we could turn back to the
many yesterdays
We cannot erase or return time;
The sun will always rise,
Hold your head high, stand tall
with your ambitions.

It would be impossible to name all the people who played a role in the production of this yearbook or to measure completely their efforts and contributions. However, the entire annual staff deserves a special thanks. As "A time for us" slipped by us from day to day it seemed impossible that the annual would ever be completed. From the beginning of school until the deadline, someone was laboring over layout sheets, copy, or pictures nearly ever hour of the school day. At times, the situation was hectic, as each detail was given concentrated attention to ensure that this "memory book" recorded 1970-71 Chowan College exactly the way it was. Just as no two years are alike, no two yearbooks are alike. The staff did not deviate from the traditional form of a yearbook, but tried to innovate enough to make it unique in a special way. Endless thoughts were given to the ideas of creating this memory book by the student and faculty body as a whole which the staff truly appreciates.

It would be impossible to capture the pure essence of "A Time For Us" for everyone; although, an effort has been made to show its spirit in the endeavors of Chowan College students. Our time, our today will not be like the time of their tomorrow, but when we refer back to the 1970-71 Chowanoka, we will recall our time and our today as it really was.

Note From the Production Editor

I would like to express my thanks to the people that worked many long hours on the Yearbook to make it a success. Special thanks to our advisors Mr. Sowell and Mr. Perry, also to Rick Merritt, Billy Hall, Craig Bailey, Marianne Pugh and Rick Farrell, and to the other people that helped us out on the book. Thank You.
